GIVE BACK TO OUR COMMUNITY

NOVEMBER 1 TO NOVEMBER 22

There is never a bad time to give back to your com-

munity, but the lead up to the holiday season is one of the best times. Join the teens at the Warren County Library by donating food to our county's food pantries.

There will be decorated drop boxes in the Teen Zones at each library branch for donations of non-perishable food items.

We hope that every time you come to a library event (or any time you drop by) you can pay it forward and donate a non-perishable

food item. Hopefully, we will have to empty the boxes every night to make room for more donations.

As an added incentive, the branch that donates the most food items will win a pizza tasting party! After tallying up all the donated items we will feed the givers who gave the most and have a pizza tasting with of pies from local pizzerias and see who makes the favorite local pizza pie!

Bookmobile News

Keep an eye out for our new Bookmobile driver, Miss Breanna!

You may recognize her from the Northeast Branch where she worked for 3 years, first as a Student Assistant and then she moved up to Library Assistant.

At Northeast, Breanna collaborated on a weekly story time and other kid's activities. She enjoyed

the kids' programming and was very excited to hear of the Bookmobile position opening.

When Breanna is not driving around in the big bus, you can catch her studying at her school library or paddling around a local lake in her kayak.

If you see her out on the road, don't be shy! Give her a wave!

Warren County
Library is closed
November 8, 11,

Congratulations

Let's be thankful...

November: time for turkey, football, family, shopping...and giving thanks.

In the midst of the preparations and celebrations, many people do not give enough attention to another November holiday—Veteran's Day.

Veteran's Day has always had a special meaning for me. My father was a veteran of World War II and I

grew up seeing him proudly wear his medals, march in parades and tell stories of his training in Great Britain. Occasionally I caught glimpses of the cost of war when, in his moments of reflection, he spoke of lost friends or struggled doing a task with an arm that no longer worked as it should.

Today my youngest son is a Sky Soldier in the 173rd

based in Italy. Although he has not been in active combat, he trains to be ready when his country needs him.

Take time this month to remember those who have served and continue to serve our county....and be thankful for their service.
