Happy 85th Birthday Warren County Library 1930–2015!

Retro Tech

Come by the Headquarters branch between 11:30 and 2:00 on November 21 to reminisce with some hot technology! Well, it **was** hot...some of these things are looking a little primitive now. Many kids and teens may have never seen some of these super awesome devices. This video shows kids reacting to a Walkman—remember how cool they were? www.youtube.com/watch?v=Uk_vV-JRZ6E

Look for dates to play all kinds of games from the 30s this month, too—games from that era do not have batteries, plugs, or screens! Be sure to try one out.

Let's Talk Turkey

Whether you brine, roast, deep fry, or go vegan with a tofurkey, you can plan your holiday meals using Zinio, our online magazines. Browse the decadent choices in *Food Network Magazine*, *Taste of Home*, and *Country Living*—or choose healthier options from *Vegetarian Times* and *Weight Watchers*.

Use your library card to access Zinio and start using our 90+ magazine subscriptions. These magazines are always available and you never need to return them.

Happy Thanksgiving!

We are honored to present READ Celebrity Andeana Gonzales

Many people will recognize Andeana from the Franklin Branch or the children's desk at Headquarters, but most don't know that when she's not writing the teen newsletter or leading programs, she is Queen Guillotine out on the rink with Two Rivers Roller Derby. Ande has been skating for 5 years and her teammates are just as excited about her role at the library as we are her roller derby!
