## Rock the Vote

It's an election year folks, and a big one! No matter what sign is in your yard or what bumper sticker is on your car, the most crucial support you can give your candidate (and your country) is your vote. Just a reminder—the Library and Warren County offices

will be closed Election Day (November 8).

The deadline for New Jersey voter registration is October 18. All those who wish to cast their vote this November must have mailed in or delivered their application to the Warren County Board of Elections by that date.

You can go to the Warren County website [www.co.warren.nj.us/Election.html](http://www.co.warren.nj.us/Election.html) to get a voter registration application, as well as other information. You can also check your registration status and get your poll location.

## National Friends of Libraries Week

The week of October 16 through 22, libraries across the nation celebrate their Friends groups. Friends and Trustees play a key role in providing additional funding, volunteer support and advocacy at all four of our branches. Our Friend and Trustee groups are composed of community members that understand and ap-

preciate the value that our libraries provide. Their generosity helps us secure and run quality programming, expand our collections, and even improve our buildings!

If you're interested in becoming a Friend of the Warren County Library and helping us serve your community, please contact the liaison at your branch:

Warren County  
Library is closed  
**Monday,  
October 10**

We welcome  
**Gillian Baakman and  
Sarah Lawley**  
to the Library!

Congratulations to  
**Amanda & Joseph Vasile**  
on the birth of their son,  
Milo!

**10/1 12:30 PM**  
For ages 13-18. For those who have a passion for

gaming, any kind, any type, video games, board games, card games, anything you can think of! Everyone is welcome to bring their own portable gaming devices. Snacks will be provided. Registration required.

**Minecraft Club**  
**10/7 4:00 PM**  
For ages 10-18. Are you a Minecraft machine? Creeper

crazed? Stuck on Steve? Well, block out some time this month because we have our very own Survival Server, and we are going to build, battle, and break stuff all month long. The library provides the laptops and user accounts for play. Registration is required.

As days are getting shorter and the nights spookier, your local library is gearing up to get you in the fall spirit.

Returning this year to our Northeast and Franklin branches is the October Spooktacular! Read 31 books for the 31 days of October

and you'll receive a special treat. To participate, just sign up at the circulation desk.

For the little ones, Headquarters will host some spooky story times, crafts, and a festive STEM program.

The Catherine Dickson Hoffman Branch will introduce

Maker Mondays with the Spooky Science program.

All of our Library events are online at [www.warrenlib.org](http://www.warrenlib.org).

**Celebrate Family History Month**  
with these ideas that will keep traditions and memories of family alive.

Food always brings families together. Make a traditional food or great-grandma's favorite cake recipe and talk about what it was like to live in a different place or time and any memories you have of these relatives. Don't forget to start a collection of these recipes and where you got the recipe. Including a photo of or story about the person associated with the

recipe will bring back special memories each time you cook the food.

Talk to an older relative and encourage your children to ask questions. Encourage the conversation by asking about where they lived, what was school like, how did they meet their spouse, or what was it like to be in the army.

Bring out the family photos. Not only is this a fun time to share memories, but it can be a good time to identify people, places and dates for photos. If you have old movies (and no projector) convert

them to DVD to share and preserve the memories.

Search for your family history. The library has a collection of history, photos and obituary lists for Warren County as well as databases (*Ancestry* and *Heritage Quest*) that can help you find out more about your ancestors. These resources have census records, passenger lists and other records that you can view online, as well as digitized family histories, books and periodicals. Visit our website and click on Research/Local History and Genealogy to use these tools.
