## JUNE S.T.E.A.M Activities

In June we kick off our Maker Camp programs for the summer. Hosted at each branch throughout the summer, Maker Camp is for kids interested in DIY, making, creating, crafting, hacking, tinkering, and discovery. Maker Camp gives campers the opportunity to explore, make and share their creativity. It gives young makers the chance to design in a way that merges the traditional and technological. This year we are featuring a space and sci-fi theme with aliens, astronauts, UFOs and much more! Each camp session will feature a variety of hands-on activities that use crafts to teach STEM (Science, Technology, Engineering, and Math) ideas. Maker Camp is for patrons ages 5+. For safety, children under the age of 9 must have an adult with them. Check the calendar for specific times and locations.
